

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I believe the merger between Echostar and Direct TV should be allowed to take place. For once maybe I would be able to receive affordable high speed internet and local channels through my dish. Neither have been a real option for me before since I live in a remote area. I hope that you do all you can to support this merger.

Sincerely,

Joel Lust
